

PADI OPEN WATER DIVER COURSE

How nice it is to breathe underwater! Becoming a diver is closer and easier than you think.

In this first PADI course you will learn how to control your equipment and your buoyancy. You will have fun learning how to dive up to 18 meters whilst feeling comfortable and safe with our instructors.

After completing this course you will be able to dive all over the world as PADI is the most internationally recognised dive association.

This course includes:

- PADI OWD Kit
- Theory classes
- Exercises in shallow water
- 4 course dives and 1 fun dive from our boat in the Marine Reserve
- Required equipment
- Logbook (diving log)
- International PADI Certification
- Insurance

Requirements:

- Minimum age 10 years (10 – 14 Junior OWD)
- Ability to swim
- Passport or Identity Card
- Divers medical examination certificate less than 12 months old

Duration:

3 – 5 days
